100<sup>th</sup> Anniversary Celebration  
Fall 2020

We know you are as eager as we are for this historic moment in Foothiller history. The celebration will begin with a Friday night football game, followed by a Saturday celebration, including the 2020 Hall of Honor induction ceremony and visits to the original restored 1922 Gray Castle and our expanded Museum in its permanent location.

Please help us fund our newest history photo book (In the Campus History Series published by Arcadia Press) written by La Mesa historian Jim Newland, author of four local history books,

We welcome donations of any amount to help with the cost of the book, which will be filled with 200 photos and information documenting our amazing history. To receive our 100<sup>th</sup> anniversary email updates, contact us at [ghsmuseum@guhsd.net](mailto:ghsmuseum@guhsd.net).

We Need Your Support

The GHS Museum and Alumni Association need your support to continue our efforts to celebrate, preserve, and display our remarkable Foothiller history.

We are working on our second book: the history of the Christmas Pageant, filled with Foothiller memories and photos. Our thanks to those whose financial donations are making it possible. (Copies of the *GHS Instrumental Music 1920-2016* book are still available for \$30 plus \$10 mailing!)

As we look ahead to moving into the 3300 square foot dance room (Rec Room in 1950 Girls PE Building) in 2020, we need your financial donations to fund at least 10 new display cases, wall shelves, and mannequins!

We welcome donations of any amount.

## Our Endowment Goal:

**\$125,000 by 2020, our 100<sup>th</sup> Anniversary!**

What better way to celebrate our centennial in 2020 than with a legacy to benefit future Foothillers?

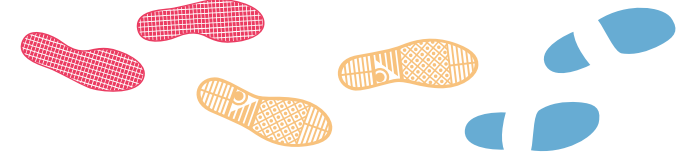

In 2012, the Foundation set a goal to create a permanent Endowment Fund of \$100,000. As a result of last year's successful campaign, we now have \$100,000 invested with the San Diego Foundation. Please help us reach our new goal of \$125,000 by Fall of 2020.

*Foothiller Friends* (\$250 donation) receive a 4x8" gray tile on the Humanities Building;

*Foothiller Founders* (\$1,000) receive an 8x8" gray tile on the 1937 Old Gym.

*(Once we receive your donation, we will mail or email you a tile order form.)*

The Foundation also welcomes donations of any amount!
